

ASO6 Investigations Support Officer Anti-Corruption Section

ORGANISATIONAL OVERVIEW

South Australia Police (SAPOL) provides a diverse range of services to the community. These services are aimed at producing a safe and peaceful environment by the minimisation of crime and disorder. It is a large complex organisation which, because of the nature of its operations, is constantly subject to public scrutiny and accountability. It provides services to a range of different locations (over 100) spread across the State on a 24 hour a day basis.

SAPOL's vision is to provide 'Safer Communities'. All SAPOL employees are guided by Our Values of Service, Integrity, Courage, Leadership, Collaboration and Respect. SAPOL is an organisation with a proud history and an exciting vision for the future.

POSITION OVERVIEW

Summary

The Governance and Capability Service (GCS) supports the Commissioner of Police in the discharge of his responsibility to control and manage SA Police by ensuring SAPOL has appropriate governance and capability to discharge its statutory charter, other government obligations and meet community expectations. The Service leads in supporting strategic thinking, determining strategic objectives, and fulfilling the organisation's vision and values in driving SAPOL performance. The Ethical and Professional Standards Branch sits within GCS.

The Anti-Corruption Section (ACS) is part of the Ethical and Professional Standards Branch. ACS investigates corruption allegations throughout the public sector in South Australia and other specialised investigations as directed by the Commissioner of Police. ACS collaborates closely with the Office for Public Integrity and the Independent Commission Against Corruption.

The ACS team includes Detectives, Intelligence Officers, unsworn Investigation Support Officers, and administrative staff. Investigation Support Officers assist sworn police officers with complex covert and overt investigations, conduct witness interviews, perform

Reporting / Working Relationships

The Investigations Support Officer is accountable to the relevant Detective Sergeant and is required to work closely with team members within ACS, other members within EPSB, internal SAPOL departments and external agencies.

KEY OUTCOMES

- Assessing the legal requirements for complex and highly sensitive prosecutions and provide support to sworn police officers in undertaking investigation tasks, whilst maintaining compliance with legislative requirements pertaining to allegations of criminal conduct against Public Sector employees and public officials.
- Identifying and gathering information under the supervision and direction of a sworn police officer, including obtaining relevant expert evidence from specialist witnesses where applicable.
- Analysing and reporting on information, and where appropriate seeking further advice, to ensure quality information and advice is available. Effectively prepare and present evidence that meets judicial standards to support a successful prosecution or other appropriate action.
- Providing advice in relation to legal requirements for investigations and the preparation of investigation reports, correspondence and briefings.
- Preparing witness statements, whilst adhering to the principles of natural justice and procedural fairness.
- Maintaining records in line with prosecution and investigative practices, legislation, government and SAPOL record management policies and contemporary administrative practices.
- Maintaining liaison with other government agencies, regulatory bodies as necessary toward the effective and efficient investigation and prosecution into allegations of misconduct.
- Contribute to upholding and enhancing the credibility of SAPOL by ensuring effective liaison with other associated agencies.
- Contribute to continuous improvement, by reviewing existing processes/practices and implement continuous improvement measures and streamline business processes.
- Proactively contributing to establishing an inclusive and positive team culture.

QUALIFICATIONS / SKILLS / KNOWLEDGE / EXPERIENCE

Essential Minimum Requirements

- Possess sound knowledge and understanding of the legal requirements for undertaking investigations in a regulatory framework.
- Demonstrated experience in court/tribunal processes as they apply to legal or regulatory prosecutions.
- Demonstrated ability to work independently, under broad direction, exercise judgement and meet deadlines, often in a context of competing priorities and expectations in the management of investigation case load.
- Demonstrated effective verbal communication skills and ability to liaise with all levels.
- Highly proficient writing skills and ability to provide advice in relation to briefs of evidence/ investigation reports
- Proven ability to develop and maintain effective relationships with internal and external clients and stakeholders.
- Ability to work collaboratively and as a supportive team member / mentor, to create a positive team culture.
- Demonstrates high levels of integrity and honesty.

Desirable Characteristics

- Bachelor of Laws or related degree

CORPORATE RESPONSIBILITIES

- Maintain accurate and complete records in accordance with the *State Records Act 1997* and departmental policies, procedures and practice guidance.
- Act at all times in accordance with the Code of Ethics for the South Australian Public Sector and legislative requirements including (but not limited to) the *Public Sector Act 2009* and *Work Health and Safety Act 2012*.
- Actively contribute to SAPOL's commitment to being an inclusive workplace where everyone is safe, respected and supported to reach their potential by demonstrating inclusive behaviour and showing respect for diverse backgrounds, experiences and perspective.
- Demonstrate an understanding and commitment to **WH&S legislation**, principles and practices and risk assessment in accordance with the **WH&S Act (2012)**, regulations, approved codes of practice and AS/NZS ISO 31000:2018 Risk Management – Principles and Guidelines.
